thank the New York City concierges for their support over the last 30 years.

We honor the New York City Association of Hotel Concierges for creating the Concierge Choice Awards and congratulate all the winners and nominees.

City Guide is the largest-circulation visitor magazine in New York City; Promenade is NYC’s oldest and most luxurious visitors’ magazine. Both are published by Davler Media Group.
We, the CCA event committee for the Concierge Choice Awards and members of the New York City Association of Hotel Concierges, are delighted to partner once again with DAVLER MEDIA GROUP for our sixth annual CCA event. Congratulations to all of the nominees. We are proud to recognize you for your contributions to TOURISM and to the NYCAHC. We feel you are all winners.

The nominees and winners have all been selected by the members of the Concierge Association and it gives us great pleasure to honor you as the Concierge Choice for 2012.

On behalf of the nominating committee and the New York City Association of Hotel Concierges, thank you for being our partners each and every day to make New York City the city of choice.

Davler Media Group

Welcome to the sixth annual Concierge Choice Awards!

It’s been our pleasure to partner with the New York City Association of Hotel Concierges in sponsoring this sixth annual ceremony, which recognizes the best that New York City’s tourism industry has to offer.

This year, hospitality industry professionals were invited to suggest nominees for the awards. We received over 100 submissions, resulting in what we feel is the most diverse group of candidates in our short history. Visit conciergechoiceawards.com to recommend some of your favorite people and businesses for consideration in next year’s awards.

Concierges serve as ambassadors to visitors from around the world, and tonight is their opportunity to honor the people who help them make each person’s Big Apple experience a memorable one. As publishers of City Guide and Promenade, it is our great privilege to organize this dinner and prepare this CCA journal. Not only does it recognize 2012’s winners and nominees, but it also serves as a handy reference guide for the concierges to many of the city’s best stores, restaurants, nightlife destinations, tours and attractions, and more. And be sure to visit conciergechoiceawards.com to see pictures from tonight’s event and past ceremonies.

A special thank you to all the concierges who took the time to vote for this year’s winners. You are the ones who make a night like this possible! Thanks to your efforts, we are proud to make a contribution to the Les Clefs d’Or Foundation and NYCAHC Charitable Fund.

Enjoy the evening,

David L. Miller
